Nowhere else in Florida will you find a place like SAK Comedy Lab. Since 1991, our professional ensemble of improv actors has entertained audiences with our unique brand of live improvised comedy. We take your suggestions and make up characters, scenes and songs on the spot. Our comedy is fun and edgy for adults, but also widely enjoyed by our younger fans.

Every Friday night for the past 23 years, SAK presents its signature improv comedy competition “Duel of Fools” where two teams of improvisers have battled against each other to see who could make up the funniest scenes, sketches, and songs based on audience suggestions.

The Morse Museum houses the world's most comprehensive collection of works by Louis Comfort Tiffany including the artist and designer's jewelry, pottery, paintings, art glass, leaded-glass lamps and windows; his chapel interior from the 1893 World's Columbian Exposition in Chicago; and art and architectural objects from his Long Island country estate, Laurelton Hall. The Museum's holdings also include American art pottery, late 19th- and early 20th-century American paintings, and decorative art.

The Morse Museum was founded by Jeannette Genius McKean in 1942 and named for her grandfather, Chicago industrialist and Winter Park philanthropist Charles Hosmer Morse. Its collections were built over a half-century by Mrs. McKean and her husband, Hugh F. McKean, who served as President of Rollins College for 18 years.

[Trivia Note: Mr. Rogers was a Rollins College alumnus.]
