September 21st 1:00 PM - 3:00 PM

**4875 New Broad Street,
Orlando, FL 32814**

When the business began in 2001, Farris was the chocolate genius while Foster was the business man extraordinaire!

In 2003 Farris was called up to active duty in the United States Air Force Reserves. When his tour was over, the Air Force convinced him to stay full time.

Since that time, Foster has been the sole proprietor. Foster attended chocolate school after Farris left, to ensure the best products would be produced.

The business has grown into both a retail space, as well as a venue for chocolate making events we call parties!

Foster is in the store just about every day making chocolate, running parties, and is always focused on making the shop fun and exciting!

Our staff at Farris and Foster's is friendly, knowledgeable, and willing to assist customers with anything they need.

The company founders believe strongly in service to God, family, and community. Both served many years in youth programs in their churches and Foster volunteers in the Boy Scouts of America. You can describe Farris and Foster with one word that explains both their personalities and their preference in chocolate: nutty!
